PRINCIPAL’S REPORT:

Dear parents,

This week we will be welcoming back Mrs. Miller who will have many stories to tell about her European adventure. Many thanks to Mrs. Hiscox who has filled Mrs. Miller’s place with such eagerness and a ‘can do attitude.’ Both ladies work very hard to keep the administration part, of running the school, on track. Mrs Hiscox also has the additional roll of taking care of the school technology and working as the Teacher’s Aide. My thanks also to Mrs. Wilkinson, for taking up Mrs. Hiscox’s job while Mrs. Miller has been on leave. Mrs. McMahon from Terara PS has supported us by completing the banking each week. Although their work is very hard to see or measure, we know when they are missing. Congratulations to the three relieving ladies who have made everything continue to work in Mrs. Miller’s absence.

If you have children in Years 3 & 5 you should have received their NAPLAN results by now. As a small school, it is hard to draw any great conclusions when we have such a small cohort of children. However it was very pleasing to see the results were, as we would have expected for individual children. If you didn’t feel the same, please come and discuss the results with Mr. Wilkinson or myself. Congratulations to all the children for an excellent result over all.

As the warmer weather hopefully arrives soon, please make sure you children have names on their clothing. Names become faded as they are washed and should be replaced each term. Please help us to help save you money.

Congratulations to Mr. Wilkinson’s class who travelled to Bundanon to experience some world-class creative arts with talented artists in dance and art. As teachers we are always very proud to report that the children learnt from the experience and also conducted themselves in a very respectful manner. I hope they have shared their experience with their families.

In a time poor society we are hoping that by having the newsletter on line, parents are able to read the newsletter anytime anywhere. Please go to the website for this convenience.

Our major fund-raiser, needs your support. If you can’t make a cake, then think about donating flour, sugar etc., so someone else can make it for you. Have a think about friends and family you can invite to the event or donate something to sell. Every child benefits from money raised so lets make this the best event yet!
